I want to change how you send me information

We can send you information either by email or post. You would have advised us of your chosen method of receiving information either when you completed your membership application form (from August 2018) or through our communication with existing members in May 2018.

The information we send you is generally in the format of a regular newsletter which contains content about our productions and other events, theatre news, theatre trips, social events and everything else that’s going on at the Oasthouse Theatre - this is known legally as ‘direct marketing’.

Our preferred method of communicating with you is by email because we can update you more regularly, and it’s quicker and cheaper than sending information by post. You can unsubscribe from our email notifications at any time.

Please complete the boxes below if you wish to change how you receive direct marketing information from us and sign where indicated.
